Friday		
12:30 – 1:30	Wind Ensemble/Band	☐

Early registration will take place at the June faculty meeting. This is a courtesy which gives existing students priority in class enrollments because many classes have registration limits. In exchange for this courtesy, please choose carefully in order to minimize the extra work incurred when people change their mind. **Likewise, if registration numbers are extremely low or an instructor becomes unavailable a class may be cancelled.** Open registration will be in August.
